

## Regatta Review

### Quick Note - January 3, 2007

#### SOME SAD NEWS TO REPORT

It is with a sad heart that we inform you that DRRA volunteer Paul Scurlock's father passed away on Friday December 29th. Paul is part of the Media / Press team for the race, as well as a reporter for the Detroit News and he works hard to get hydro coverage into the paper throughout the season.

There is no visitation, but there will be a memorial service this Friday, January 5th 11 a.m. at the Jefferson Masonic Temple on 11 Mile Rd between Jefferson and Harper in St Clair Shores.

Our condolences and prayers go out to Paul and his entire family.
