### MORE VIDEOS FROM THE EVANSVILLE RACE AT HYDROINSIDER.COM

We now have video of Heats 1A, 1B, 2A, 2B, 3A, 3B, and a recap of the finals posted at HydroInsider.com. Still more to come. Again, thanks to the hard work of Joe McCord, Mike Festcher and Kirk Duncan. These guys work tirelessly behind-the-scenes to make this stuff happen... and they don't get paid a cent for it. You guys are awesome!

Mike is working on setting up a live (video) stream from Madison. We won't know until they get on site and try to make it work.

### NEXT STOP ON THE UNLIMITED TOUR - MADISON INDIANA

This weekend the Unlimiteds hit the water in Madison Indiana for the second stop on the tour. Also included in the show are the 2.5 Litre Stock hydroplanes. For more about the history of the Madison race, see the article "A Real Rockwell Race Setting" on the ABRA web site: <http://tinyurl.com/33nxlo>

In addition to the possible HydroInsider.com coverage, WORX radio will have their always great audio stream running at <http://WORXradio.com>, and <http://WJBNTVLive.tv> plan to run the "Max and Jax" show (video streaming). Both video streams may be intermittent - if there's no action on the water then the stream may be off. Max and Jax might run all day Sunday starting about 10am.

### UNLIMITEDS ON DOWN - YAHOO GROUP FOR HYDROPLANE FANS

A good forum for discussion of Hydroplanes of all sizes is the Yahoo Group "Unlimiteds on Down". Follow news and rumors as well as late-breaking news & operational tips about the streaming coverage.

### GOLD CUP TICKET INFORMATION

The Online Box Office has closed for 2007, as we prepare to move our offices to the race site.

We are still taking phone orders at our main office number through Tuesday 5pm. After that, tickets will be available at the on-site box office in Waterworks Park ... see our Fan Guide for the Box Office / Parking information page. The phone number to the on-site box office will

be 313-823-1025.

### THE SAGA OF JACK BEEBE

If you haven't checked out the History gallery at [gold-cup.com](http://gold-cup.com), be sure to take a look. One of my favorite stories is about the 1915 race won by MISS DETROIT with Jack Beebe and Johnny Milot onboard.

An excerpt:

"Jack is best remembered for his relief driving stint aboard MISS DETROIT in the 1915 APBA Gold Cup. That's when Beebe took over the wheel midway through Heat One when the driver (Johnny Milot) was too seasick to continue. But there is much more to the story than that."

### THE 100TH RUNNING OF THE GOLD CUP

It's not too soon to start planning for the historic 100th running of the Gold Cup, July 11-13 2008!
